Sanuvox Technologies
146 Rue Barr
Saint-Laurent, Quebec
Canada
Attn: Jocelyn Dame

Dear Jocelyn,

This letter is to confirm our recent conversation. Lamps manufactured by First Light Technologies, Inc for Sanuvox Technologies do not produce any ozone.

Our manufacturing process checks 100% all lamps with an ozone sensor in the

Test rack to assure this is the case.

If you have any additional questions please feel free to ask.

Sincerely,

Kenneth Ell
President
